As the number one Auto and Homeowners insurer in the United States, State Farm remains a strong choice for customers. In 2018, State Farm Mutual achieved an operating profit and continued to build our financial strength, which allows us to deliver on the promises we make and help our customers recover from the unexpected.

The A.M. Best Co., which provides an independent opinion of an insurance company’s ability to meet obligations to policyholders, continues to give its highest rating (A++) to State Farm Mutual.

Helping people – through the many ways we serve our customers and our communities – is part of who we are and what we’re about. Through our Neighborhood of Good®, we’re leading a movement to encourage and empower people to get involved and take action. Working together, we believe we can make, and inspire, a meaningful difference in our world.

Thank you for putting your trust in State Farm. We are proud to serve you.
