## **Auto Estimating Appraiser**

Do you thrive in a fast-paced, customer-oriented environment? Do you have a keen focus on problem solving and accountability? Enjoy helping people in need? Enjoy auto repairs and collision estimating? Find it easy to build rapport with others? **If so...take a closer look at State Farm® and our current Estimating opportunities across the country.**

### **We Offer**

Flexible schedules, paid training, job coaching, professional development, mentoring and comprehensive benefits options (eligibility may vary).

### **We're Hiring**

- In Office: Phoenix, Arizona; Columbia, Missouri; Concordville, Pennsylvania
- Field: Across the United States

### **Opportunities**

#### **Auto Estimating Appraiser (In-Office)**

- Use estimating systems to evaluate/prepare competitive auto repair estimates
- Use estimating vendor tools and proprietary computer systems
- Apply knowledge of market value and other factors affecting reparability issues
- Refer information on possible vehicle total loss claims to the appropriate contact
- Evaluate auto repair bid content and photo documentation, vehicle damage, causation issues, and potential suspicious loss indicators
- Work in an in-office, centralized environment

#### **Auto Estimating Appraiser (Field)**

- Prepare estimates that accurately assess vehicle damage using computerized estimating equipment
- Identify and communicate reparability issues and vehicle condition on potential total loss claims
- May communicate repair estimate information to claim leadership, claim handlers, customers, agents, and repair facilities
- May review estimates and supplemental vehicle damage requests submitted by repair facilities
