On November 19, 2018, the State Farm Mutual Fund Trust Money Market Fund (the "Target Fund") merged into the BlackRock Summit Cash Reserves Fund (the "Acquiring Fund") in a tax-free reorganization. The reorganization comprised: (i) the transfer of all of the assets of the Target Fund to the Acquiring Fund in exchange for Acquiring Fund shares and the assumption by the Acquiring Fund of the Target Fund's liabilities; (ii) the distribution of those Acquiring Fund shares by the Target Fund pro rata to its shareholders on complete liquidation and termination of the Target Fund. As a result of this reorganization, Target Fund shareholders of all classes surrendered their Target Fund shares in exchange for Acquiring Funds shares of the corresponding classes equal in value of the Target Fund shares surrendered (as of the end of business on November 16, 2018).
