This is your neighborhood.

(Image) app

Smart phone with a State Farm mobile app appears on screen. Screen changes to show State Farm® Community Offers logo, then again to show a screen with various icons representing different businesses like pizza, car, movies and more.

(Speaker: Female Announcer)

And this is the State Farm mobile app, which has this thing called Community Offers, which tells your customers about great offers right here at your business.

An illustrated icon of a car with bubbles coming from it, an illustrated icon of a director's clapper with popcorn coming out of it, and an illustrated pizza icon with toppings falling on top of it are shown. Image switches to show various icons on the neighborhood map representing a grocery store, golf, movies, pizza and more.

(Speaker: Female Announcer)

Whether you own a car wash, run a movie theater, or serve your neighborhood's favorite pizza, State Farm Community Offers is a new way to market your business to more customers and help it grow.

Illustrated icon of a thumbs up. Icon animates and splits to show a thumbs down sign next to it.

(Speaker: Female Announcer)

Because like any good neighbor, it gets to know your customers and learns what's important to them, so they get the offers they really want from businesses like yours when and where they want.
