News Release | For Immediate Release**Debut of State Farm HomeIndex™ Is Taking The Work Out Of Home Inventory Store Your Inventory In The Cloud For Safekeeping**

Bloomington, IL (September 20, 2012) – State Farm® has released State Farm HomeIndex, a new home inventory tool allowing State Farm customers to inventory, value, and track the items in their home. All the data is securely stored for easy access and safekeeping. State Farm HomeIndex enables customers to create an inventory of their personal property by adding photos and item details, by room and category.

“State Farm HomeIndex allows customers to easily inventory their personal property, evaluate their current coverage and recover quickly in the event of a loss.” said Patty Gaumond, Vice President of Enterprise Internet Solutions at State Farm. “The information is stored virtually and can be accessed using multiple devices, wherever the customer is, at any time.”

Any current State Farm customer can sign-up for the free service today by registering online at statefarm.com®. Learn more about State Farm HomeIndex by visiting www.statefarmhomeindex.com
