

## **Life Sync™ Terms of Service**

Last Updated November 11, 2019

### **I. Introduction to Life Sync**

Life Sync is a digital solution provided to you by Go Right, LLC (“Go Right”), a wholly owned subsidiary of State Farm Mutual Automobile Insurance Company (“SFMAIC”), as part of your participation in the Life Sync pilot program (“Pilot”).

Life Sync uses the Life Sync mobile application (“Life Sync Application”) and Life Sync Alexa Skill (“Life Sync Skill”) (together, the “Life Sync Services”) to help you stay connected, interact, and share information with the important people in your life (“Care Circle”).

As part of your participation in the Pilot, Go Right has provided you with an Amazon Echo Show device (“Amazon Echo”). In order to use the Life Sync Services, you will need to set up the Amazon Echo and download the Life Sync Skill using your Amazon account.

After you have set up your Amazon Echo and downloaded the Life Sync Skill, you should carefully select the people you want to be members of your Care Circle. Each member of your Care Circle must download the Life Sync Application, and create an account. Once you have set up your Amazon Echo and downloaded the Life Sync Skill, and members of your Care Circle have downloaded the Life Sync Application and created accounts, you will be able to use the Life Sync Services.

### **II. Life Sync Terms of Service**

These Terms of Service (“Terms”) govern your access to and use of the Life Sync Services, and are a binding agreement between you and Go Right. You should carefully read these Terms to make sure you understand them. You acknowledge and agree that, by accessing or using the Life Sync Services, you are indicating that you have read, understand, and agree to be bound by these Terms. If you do not agree to these Terms, you do not have any right to access or use the Life Sync Services.

Life Sync Services use the Amazon Echo and Life Sync Skill; by accepting and agreeing to these Terms, you acknowledge and agree that you have reviewed, understood, and agreed to the Amazon Device Terms of Use (“Amazon Device Terms”) that can be found at:

<https://www.amazon.com/gp/help/customer/display.html?nodeId=202002080>.

### **III. Life Sync Pilot**

The Life Sync Services are provided to you in connection with your participation in the Pilot. During the Pilot, your use of the Life Sync Services will be free of charge. At the conclusion of the Pilot, you will have the option to either sign up for a subscription to the Life Sync Services, or discontinue using the Life Sync Services.

### **IV. Capacity and Consent**

You may not use the Life Sync Services unless you have capacity to read, understand, and agree to these Terms. By accepting these Terms and using the Life Sync Services, you are attesting that you have capacity to read, understand, and agree to these Terms, and that you are not the ward of a court-ordered guardianship, and have not been otherwise declared to lack mental capacity to enter into a contract by a court or physician.

By using the Life Sync Services, you are consenting to share information with your Care Circle, as described in these Terms, and are further consenting to access to and use of your information by your Care Circle. Consent to share and allow access to and use of your information does not operate as or override any existing statutory power of attorney.

You may revoke your consent at any time by deleting members from your Care Circle using the Life Sync Skill, or by contacting Go Right at 1-833-255-0228.

## **V. Account Registration**

In order to access and use the Life Sync Services, you must register to create an account. You agree to provide accurate, current and complete information during the registration process and to update such information to keep it accurate, current, and complete. Go Right reserves the right to suspend or terminate your account if any information provided during the registration process or thereafter proves to be inaccurate, not current, or incomplete. As part of the registration process, you will be asked to create a password. You are responsible for remembering and safeguarding your password. You agree that you will not disclose your password to any third party and that you will take sole responsibility for any activities or actions taken through your account, whether or not you have authorized such activities or actions. If you become aware of any unauthorized use of your Account, you agree to immediately notify Go Right.

- **Check-In**

The Life Sync Services include a "Check-In" feature, which enables you to provide your Care Circle with periodic updates about your day. Check-In allows you to give a verbal update to your Amazon Echo, which the Amazon Echo then converts to text. Once the Amazon Echo converts your verbal update to text, the Amazon Echo will ask if you want to share your update with the Care Circle. If you share your update, all members of the Care Circle will be able to see it. Your Care Circle may not see updates you send through Check-In immediately. You should never use Check-In to ask for help during an emergency. You should never share any sensitive personal information, including but not limited to medical and financial information, using the Check-In feature, and should not share any updates unless you want all members of the Care Circle to receive the updates.

The Check-In feature also includes a "passive check-in" which will notify your Care Circle each time you open and/or interact with the Life Sync Skill

Go Right shall not be responsible or liable for any incidental, special, exemplary, or consequential damages arising from your use of the Check-In feature, or from the use of any information you share with your Care Circle.

The Life Sync Services include a "Calendar" feature, that allows you to view events, appointments, and other activities added to the Calendar by members of your Care Circle. Any member of your Care Circle can add an event to or delete an event from the Calendar. You may view all Calendar events using the Life Sync Skill on your Amazon Echo, but will not be able to add or delete events to and from the Calendar.

Calendar includes a free form text field "Notes" section. Members of your Care Circle should never enter sensitive personal information, including but not limited to financial or medical information, in the Notes section of Calendar. If you find that any sensitive personal information has been entered into Notes, you should contact members of your Care Circle immediately and instruct them to delete the sensitive personal information.

If members of your Care Circle do not remove the sensitive personal information, you should delete them from the Care Circle.

- **Memories**

The Life Sync Services include a “Memories” feature, which allows you to view photographs shared with you by members of your Care Circle. Any member of your Care Circle may share photographs, and photographs shared using the Life Sync Services may be viewed by you and any other member of your Care Circle. Go Right does not view or monitor the content of photographs and is not responsible for photographs shared using the Life Sync Services. - **Lists**

The Life Sync Services include a “Lists” feature, which allows you and your Care Circle to create and share the following types of lists: To-Do, Grocery, and Wellness.
