

Become a State Farm Agent.

Insurance is just the beginning.

State Farm® offers a wide range of insurance and financial services products to help customers protect what's important to them and plan for the future. As a State Farm agent, you have a strong, trusted brand and competitive products behind you – a formula that has helped make State Farm:

- No. 1 in car insurance since 1942
- No. 1 in homeowners insurance since 1964
- One of the leading boat insurers

While some products and services may not be available in all areas, general product categories include:

- Auto insurance
- Homeowner and other property/casualty insurance
- Life insurance and annuities
- Health insurance
- Small Business insurance

Ranked among the top one percent of U.S. banks, State Farm Bank® product categories include:

- Deposit products
- Loan products
- Financial Card products
- Small Business Lending products
