

Manage My Account

You can always access important online banking features by using the Customer Service tab.

While managing your account, you'll be able to:

- Order checks before you run out.
- Set up Text and Email Alerts.
- Stop Checks.
- Register for Text Banking.
- Choose paper and/or electronic statements.
- Select a way that works best for you to get in touch State Farm on our Contact Us page.

This gives you even more freedom and flexibility to stay focused on the things that matter most to you.

At State Farm Bank®, we're committed to putting you first as we harness new technology and flexibility for the future. It's all about bringing banking to you!
