

MyTime Deposit[®]

If you're looking for a convenient way to deposit checks, look no further. MyTime Deposit from State Farm Bank[®] is just the thing for you!

Using a desktop scanner or your smartphone, you can scan checks and make deposits without having to leave the house. If you want to deposit your paycheck the moment you receive it, MyTime Deposit brings the bank to you, saving you valuable time and energy.

Using the State Farm[®] mobile app on your smartphone, log in then select Bank, then Deposit, and follow the prompts.

Or you can use MyTime Deposit online. Log in to your account, select one of your Deposit Accounts. Then select the Deposit a Check Online link. Select the account you want to deposit into. Enter the Deposit Description and Deposit Amount. Then upload the check image with your desktop scanning device.
